Atterbury: New Manager

"Committed to Service Beyond Expectations"

WINSTON-SALEM, North Carolina --- April 5, 2012 --- We are excited to announce that David Atterbury has joined Green Resource; he begins employment today. Mr. Atterbury will become the new Branch Manager for our Winston-Salem location, which will open for business next week.

Mr. Atterbury has nearly 30 years of expertise in the Green Industry. He was previously a Territory Manager for Agrium Advanced Technology (AAT), responsible for serving the Greensboro/Hickory/Charlotte area. Prior to AAT, Mr. Atterbury held several sales positions within LESCO, now known as John Deere Landscapes:

- Regional Landscape Coordinator
- Regional Sales Manager
- Outside Sales Representative
- Branch Manager

Green Resource, LLC

Founded in 1994, Green Resource is a wholesale distributor, who markets and sells professional-grade fertilizer, chemicals, native and turfgrass seed, and erosion control products from four strategically-located warehouses. The company serves golf courses, lawn care operators, grounds maintenance companies, nurseries, retail lawn and garden centers, greenhouses, and prominent landscaping firms throughout North Carolina and South Carolina. Green Resource is a privately-held, limited liability North Carolina corporation.
