# Green Diamond Brand

“Committed to Service Beyond Expectations”

COLFAX, North Carolina --- May 14, 2010 --- Green Resource launches Green Diamond private-label brand. Jonathan Annas, a Green Resource principal explains, “We are attempting to take a commodity-type product and improve the product’s performance through the manufacturing process and/or the addition of a key, proprietary ingredient. Our introductory product is Liquid Lime, designed primarily for our hydroseeding customers”

## LIQUID LIME

Designed for Hydroseeding, Greenhouse, Turf, and Fish Pond Applications

- Quick pH Adjustment
- Improves Fertilizer Uptake
- Long-Term Shelf Life

- Easy Mixing & Spraying
- Environmentally Safe
- Limited Freeze Tolerance

**Limited Shaking Required**

### CAUTION

Avoid breathing vapors and mist. May cause respiratory irritation. Use in a ventilated area. Avoid contact with eyes and skin. If product comes in contact with eyes or skin, wash thoroughly with water. If taken internally, contact a physician. If irritation develops from eye or skin contact, consult a physician. Keep out of reach of children.
