

07/29/11 Launch of New Website

"Committed to Service Beyond Expectations"

COLFAX, North Carolina --- July 29, 2011 --- Green Resource launches new website. "It is user-friendly and easy to navigate. Our new website provides additional insight to our company, key product information, and features a Resource tab, which contains content applicable to all of our customer segments." says Robert Herring, the company's Director of Sales & Marketing.
