### John Deere Landscapes ACQUIRES GREEN RESOURCE

ALPHARETTA, GA - August 5, 2015 - John Deere Landscapes, LLC announced today the acquisition of Green Resource. Green Resource has 5 locations servicing North and South Carolina with landscape maintenance products and supplies.

"Green Resource is an excellent fit with our existing business in the Carolinas and establishes us as the clear market leader across all of our major product lines. Green Resource has been providing high quality chemicals, seed, fertilizer and erosion control products to landscape professionals for over 20 years," said Doug Black, CEO of John Deere Landscapes. "We welcome our new associates and are glad to have them joining our team."

#### About John Deere Landscapes:

John Deere Landscapes has over 450 locations across North America and is the leading distributor of wholesale irrigation, landscape lighting, nursery, hardscapes, and turf and maintenance supplies for the green industry. Dedicated to becoming the distributor of choice for landscape, irrigation and turf care professionals, John Deere Landscapes also offers additional services that support its core businesses.
