SERVING THE GREATER TRIAD AREA

FAST **50**

September 25, 2009

Green Resource, LLC was depicted in The Business Journal's 2009 Book of Lists: Fast 50 (#6), a ranking of the fastest growing companies in the Triad area (Greensboro, High Point, and Winston-Salem) of North Carolina.

Green Resource, LLC

Founded in 1994, Green Resource is a wholesale distributor, who markets and sells professional-grade fertilizer, chemicals, native and turfgrass seed, and erosion control products from four strategically-located warehouses. The company serves golf courses, lawn care operators, grounds maintenance companies, nurseries, retail lawn and garden centers, greenhouses, and prominent landscaping firms throughout North Carolina and South Carolina. Green Resource is a privately-held, limited liability North Carolina corporation.
