## Syngenta Crop Protection

"Committed to Service Beyond Expectations"

COLFAX, North Carolina --- October 16, 2009 --- Jonathan Annas representing Green Resource and Howard Jaekle representing Syngenta Crop Protection have consummated an agreement, which stipulates that Green Resource is designated as an Authorized Distributor. "Syngenta's extensive group of pesticides are very popular among our client base. We are honored to become a more visible brand steward for Syngenta," proclaimed Jonathan Annas, a Green Resource co-owner.

### Syngenta Crop Protection

An industry leader based in Greensboro, North Carolina, Syngenta Crop Protection is committed to meeting the increased demand for food, feed, and fuel. Our vast portfolio of products helps growers control the weeds, insects and diseases that threaten yield on farms across America. Through an investment of more than \$2 million a day in research and development, we continue to bring novel products to market and improve the quality of our lives, with an eye on long-term productivity of the land and protection of the environment.

Syngenta is one of the world's leading companies with more than 25,000 employees in over 90 countries dedicated to our purpose: Bringing plant potential to life. Through world-class science, global reach and commitment to our customers, we help to increase crop productivity, protect the environment and improve health and quality of life.
