New Addition to Sales Force

"Committed to Service Beyond Expectations"

COLFAX, North Carolina --- November 12, 2009 --- Green Resource enlarges their sales force again. Spencer Stubbs spent the last nine years of his sales career with LESCO, Inc. (now known as John Deere Landscapes). He was a Service Center Manager for the Matthews location and, most recently, the Pineville location. He was a multiple year *Sales Excellence Award* winner and enrolled in the company's President's Club. He was formerly employed with Pine Island Country Club and Carowinds. Mr. Stubbs is a graduate of Gardner-Webb University and earned a Bachelor of Science degree in Business Administration.

Mr. Stubbs will be responsible for the Grounds Maintenance market segment in metro-Charlotte. His cellular number is: (704) 201-6054 and his e-Mail address is sstubbs@green-resource.com

Green Resource, LLC

Founded in 1994, Green Resource is a wholesale distributor, who markets and sells professional-grade fertilizer, chemicals, native and turfgrass seed, and erosion control products from four strategically-located warehouses. The company serves golf courses, lawn care operators, grounds maintenance companies, nurseries, retail lawn and garden centers, greenhouses, and prominent landscaping firms throughout North Carolina and South Carolina. Green Resource is a privately-held, limited liability North Carolina corporation.
